267. **Sri B. P. GANGADHAR** (Tumkur).—

Will the Minister for Public Works be pleased to state :—

Sri D. PARAMESHWARAPPA (Deputy Minister for Major Irrigation and Electricity)[On behalf of SRI A. J. DODDAMETI (Minister of State for Minor Irrigation)].—

(*a*) Yes.

(*b*) and (*c*) Yes, for construction of Pick-ups near Swandenahalli and Sorekunte only.

(*d*) The proposal for construction of pick-ups near Chiknarvangala and Nelahala is under examination.

(*e*) Action is being taken to start the construction of Pick-up at Sorekunte. In respect of other works action will be taken to prepare plans and estimates.

Sri B. P. GANGADHAR.—In answer to (*d*) you have stated that the proposal for construction of pick-ups near Chiknarvangala and Nelahala is under examination. Now I am given to understand that the estimates have already been prepared and if so, when these works could be taken up for execution ?

†**Sri D. PARAMESWARAPPA.**—Sir, only two estimates is respect of construction of pick-ups near Swandenahally and Sorekunte are ready. So far as this Sorekunta pick-up is concerned the work was taken up because during 1967 October this was washed out and therefore there was urgency to take up this pick-up first and it is being attended to. So far as the other proposal is concerned it is being investigated. Immediately after investigation is over and estimates are prepared and sanctioned, works will be taken up on this pick-up.

Sri B. P. GANGADHAR.—Sir, I am telling you that the estimates have already been prepared and the feasibility of the work is also worked-out.

Sri D. PARAMESWARAPPA.—I have no information about that, Sir.

Sri B. P. GANGADHAR.—May I know if the estimates are prepared and plans are ready will the Government execute the work immediately?

Sri D. PARAMESWARAPPA.—Surely, Sir.

Mr. SPEAKER.—Next Question No. 269 by Mr. H. D. Deve Gowda.

Sri H. D. DEVE GOWDA.—Sir, I do not want to put the question.
